

Hub E-Bike Riding Group.

A group of e-bike riders regularly come together for a **Saturday 8.00am-10.30am (summer) 8.30am-11.00am (winter) morning ride.**

The rides focus on the Kalamunda trails that exist towards destinations like Pickering Brook, Carmel Darlington and Victoria Dam. They involve some gravel and dirt trails as well as roads and are therefore not suited to thin tyres. Departure from the Kalamunda Tennis Club Car Park.

All rides are subject to weather. Kate Cook and Hermann Sandercock are currently coordinating the Group.

Contact details are:

Kate Cook

Phone: 0403 301 429

Two important supports exist for participants-

Kalamunda Bike Shop in Mead St (Hub E-Bike Riding Group sponsor) is offering all our members a 10% discount on repairs and purchases.

Membership to the Darling Range Hub is not a requirement, but is strongly recommended – it is very cheap, and membership covers you under our insurance while participating. If not a member, suggest you contact Nigel Miles 0437200668 or members@drsniorshub.com.au
